

# BEARING GREASE :AP-2 / AP-3

**Meets IS 7623 : 1993 ,  
IPSS 1-09-006-97**

## PRODUCT & TECHNICAL DATA SHEET

**Gresol Lubricants**

Product Name: **Greso AP-3 / Greso AP-2 Grease**

### DESCRIPTION

There are premium quality lithium based multipurpose grease manufactured from superior quality based oil and soap. There excellent structural stability, water resistance property, higher drop point and very good oxidation ensures long grease and component life. They have outstanding rust protection ability.

### APPLICATION

Lubrication of heavy duty plain and roller bearings operating under loads, high temperature and shock loading condition.

### PERFORMANCE BENEFITS

- Excellent performance even when subjected to extremely heavy shear.
- Fine structural stability over long period of service.
- Possesses appropriate pump ability for easy application.

### PERFORMANCE STANDARDS

Meets Followings NLGI Grades

- IS 7623 :1993 REGULAR TYPE
- IPSS 1-09-006-97
- NLGI 2 , NLGI 3
